Description

Trailer included! Never seen salt! Price drop!

Certified mercury technicians have meticulously maintained this 2020 Monterey m 225 since day one. The 200 hp Mercury outboard runs perfectly and has never had any issues, when maintained well as this engine has been, they can last for several thousand hours. Used in Freshwater only! This boat has never seen the salt.

Masterfully crafted, and innovatively designed, Monterey's M225 offers uncompromising performance with elegant styling. Featuring an LOA of 22', the M225 offers plenty of room for your entire crew. Crafted with an extra-wide bow seating area, you'll find you have plenty of room to relax and enjoy the day or add in the bow filler cushion to turn this space into a luxurious sun pad.

The cockpit area has been designed with a comfortable portside lounge, as well as arena seating offering you the perfect space to entertain or simply cruise in style. Dedicated storage compartments have been intentionally designed into the boat offering you the perfect locations to stow away your gear. A fiberglass dash with upholstered visor and medallion digital instrumentation finishes out the handcrafted helm area.

The Transom of the boat is equipped with an integral swim platform, telescoping, and recessed swim ladder with fiberglass hatch. The Fusion Satellite Ready AM/FM/USB stereo helps to create the perfect atmosphere. Add in the helm and stern stereo remote, as well as the optional wakeboard tower and you'll have everything you could ever need to begin yours on the water adventures!
