Description

Overview

Versatility at its best. The 238 Super Sport Surf offers it all, from powerboating performance to recreational comfort for the whole crew. Enjoy lounging on the aft sun-pad with a flip-up bolster or keep things on course with the ergonomically designed helm station. The 238SS Surf features multiple dedicated storage options and spacious seating options. Add in the optional wakeboard tower and you'll have everything you need to provide the perfect day out on the water for you and your crew.
