MSRP \$164,347, PRICE REDUCTION - \$135,044

Includes a trailer (not pictured)

This boat is a remarkable combination of power and luxury. This meticulously crafted vessel comes equipped with a Merc 6.2L 350HP DTS Cat 2.2 BR3 engine that gives power, precision and speed to your water adventures.

Docking is a breeze with Phender Pro, and the grey Seadek Swim Platform Inlay provides comfort and safety. Underwater LED Lights offer a mesmerizing ambiance, and the Wakeboard Tower in White - Onyx adds style and function. A forward shower with pressurized water adds convenience.

For protection, there are Bow and Cockpit Cover Canvases in Onyx, and the cockpit features Seadek Grey Inlay.

Navigate with precision using the GPS Chartplotter (Simrad GO7 XSE, SS60, Merc Engine Integration), and immerse yourself in premium audio with the Stereo Upgrade Package. The Stern Mounted Remote gives you control from anywhere on the boat, and Cone Speakers for the Tower with a 2-channel Amp enhance your music experience.

Additional features include Bow Filler Cushions, Portside Forward/Aft Facing Lounge in Anthracite, a Battery Charger with a Deck Plug, a Pump Out Deck Fitting for the toilet, and Trim Tabs with Indicators.

This 2023 Monterey M6 Series Boat is luxury, performance, and innovation. Whether you're into water sports, leisurely cruises, or relaxation, this boat excels. Don't miss your chance to own this extraordinary vessel. Contact us today to arrange a test drive and embark on your next adventure.
