Description

The SeaRay SPX 19 is powered by a 4.5 Mercruiser engine, which provides the perfect combination of power and efficiency. With this engine, you can explore new waterways and enjoy all your favorite water activities with ease. The SeaRay SPX 19 has a length of 19 feet and a beam of 7 feet, this boat is the perfect size for both experienced boaters and those new to the sport.

But that's not all the SPX 19 has to offer. This boat is also loaded with amenities that are sure to impress. From the integral swim platform to the stainless-steel ski tower, this boat is designed to make your time on the water as enjoyable as possible. The SPX 19 has multiple storage options to bring along all the gear you need for a day of fun in the sun.

The SPX 19 is a boating experience like no other. Designed to be both practical and luxurious, the SPX 19 has comfortable seating, a premium sound system, and intuitive controls. Relax and enjoy the ride.

Come experience the SeaRay SPX 19 and see why it's the ultimate boating experience.
