Description

OVERVIEW

The Antares 7 has its roots in the three values of safety, simplicity, and livability that have been present since the genesis of the range. The Antares 7 is trailerable, which opens up a world of new coastlines for you to explore.

EXTERIOR

The Antares 7's innovative flared-hull boasts safety and outstanding seakeeping, offering wonderful driving sensations. This outboard motorboat has a very elegant silhouette, thanks to her cap's powerful V profile. Simple and safe, an aft platform with a removable ladder provides access to the sea. This is closed off by a small gate when the boat is underway.

INTERIOR

The wheelhouse is surrounded by windows and has a 360° view of the sea. A sliding glass hatch on the roof bathes the interior in natural light, which considerably increases the feeling of space. The walnut woodwork and upholstery color contribute to making the Antares 7 contemporary yet timelessly stylish.
