Description

Take a look at this, very well taken care of, BEAUTY! This 2015 Sea Ray 280 Sundancer has everything that a person could want in a cruiser...and more. This boat is powered by a Mercruiser 8.2L Mag SC DTS (380hp) motor and has the Bravo 3X drive. It also has Sea Rays patented Dynamic Running Surface: Dynamic Running Surface automatically optimizes running attitude (the angle at which the bow meets the water) and trim (how far into the water the boat sits). This ensures incredible stability and performance that exceed expectations. Other options include: Full Camper Canvas Package, Gel coated dash, Wood cabin flooring, TV/Flat screen w/DVD in the V Berth, Inverter (12V to 120V/60 Cycle, Portlights (cabin/galley), Shower (Transom Hot/Cold), Macerator w/Seacock interlock system, Snap-in carpet (Cockpit), 2nd Stereo Remote Control (Transom), Cockpit Refrigerator Dual Volt (120/60-12V), Grill in the Cockpit (Built in 120V/60), Teak Cockpit Table, Extended Swim Platform, Under Water Lights (Thru Hull), Windlass Anchor System (Rope & Chain), and Upgraded Garmin GPSMAP 942XS with US Maps and Thru-Hull Transducer.
