Description

Looking for the ultimate fishing experience in the Pacific Northwest? Look no further than the Explorer PRO 28' Pilot House by Boulton Powerboats! Built for the true sportsman, this all-aluminum vessel is a true workhorse on the open sea. With 400 horsepower from twin Honda outboards, you'll have plenty of power to take on any weather conditions and get you where you need to go quickly and safely. And once you're out on the water, you'll have everything you need for the perfect day of fishing or cruising.

With a Garmin touch screen in the cabin, you'll have all the navigation charts and radar you need to stay on course and avoid hazards. And when it's time to relax, you can do so in style in the cabin, which features an electric flush toilet, plenty of LED lights, and even underwater lights for a unique touch.

But the Explorer PRO 28' Pilot House isn't just about luxury and style - it's also designed for functionality. With lockable rod lockers and plenty of rod holders, you'll have all the storage space you need for your fishing gear. And if that's not enough, the boat also features a rear helm steering station and rear electronics, making it easy to operate and navigate from any location on the boat. Plus, with a 15 Honda kicker with controls to the rear helm, you'll have even more control and power on the water.

Don't settle for an ordinary fishing boat - upgrade to the Explorer PRO 28' Pilot House and experience the ultimate in style, comfort, and functionality. Come take a ride and see for yourself why this boat is what dreams are made of! Visit Rock Harbor Boats today at www.rockharborboats.com to learn more about this incredible vessel.
