Description

Introducing the Monterey M-225, a masterfully crafted and innovatively designed boat that offers uncompromising performance and elegant styling. With an overall length of 22 feet, this vessel provides ample space for your entire crew to enjoy a day on the water. The M-225 features an extra-wide bow seating area, allowing you and your guests to relax and bask in the sun, or convert it into a luxurious sun pad with the bow filler cushion.

Step into the cockpit area, and you'll discover a comfortable portside lounge and arena seating, designed to provide the perfect space for entertainment and stylish cruising. This boat is equipped with dedicated storage compartments strategically placed throughout, ensuring you have convenient locations to stow away your gear. The helm area boasts a fiberglass dash with an upholstered visor and medallion digital instrumentation, showcasing the meticulous craftsmanship that goes into every detail.

At the transom, you'll find an integral swim platform with a telescoping and recessed swim ladder, all protected by a fiberglass hatch. The Fusion Satellite Ready AM/FM/USB stereo system sets the tone for a perfect atmosphere on board. With the added convenience of helm and stern stereo remotes, as well as the optional wakeboard tower, the Monterey M-225 provides everything you need to embark on unforgettable on-water adventures.

With a beam of 8 feet 6 inches, the M-225 offers stability and ample space for your comfort. The boat's dry weight of 3,500 pounds and fuel capacity of 52 gallons ensure a balanced and efficient ride. Accommodating up to 1980 pounds of persons' weight and 2660 pounds of persons' weight with gear, this vessel is ideal for creating lasting memories with family and friends. Powered by a 225xl Mercury engine, the Monterey M-225 delivers impressive performance that will exceed your expectations.

Experience the perfect fusion of performance, style, and comfort with the Monterey M-225.
