Description

Introducing the 2023 Monterey M-22, a sleek and stylish boat designed to enhance your boating experience from the helm to the stern. The helm station is a captain's dream, boasting an ergonomically designed fiberglass dash and upholstered visor. With medallion digital instruments, an MP3 adapter, and power assisted tilt steering, you'll have full control and convenience at your fingertips.

Step into the impressive cockpit of the M-22 and discover a world of comfort and entertainment. Equipped with a 48-quart carry-on cooler, stainless steel drink holders, and a lockable glove box, you'll have everything you need for a refreshing and enjoyable day on the water. The Fusion Satellite Ready AM/FM USB Stereo with Bluetooth and four Rockford Fosgate 6.5" speakers will keep the party going, while the ample storage space throughout the boat ensures that all your gear has its place. From in-floor ski storage with a fiberglass hatch and dry deck liner to helm storage, bow seating storage, and aft cockpit seating and engine compartment storage, the M-22 has you covered.

The Monterey M-22 is powered by the impressive 4.5L 250hp Mercruiser engine, delivering an exhilarating performance that will leave you craving for more. This powerful engine combines innovation and efficiency to provide an unforgettable boating experience. The 4.5L Mercruiser engine offers a perfect balance of power and fuel economy, allowing you to enjoy extended hours on the water without worrying about frequent refueling. With its advanced technology, this engine delivers smooth and responsive acceleration, ensuring a thrilling ride every time you hit the throttle. Designed with reliability in mind, the 4.5L Mercruiser engine is built to withstand the demands of the water. It features robust construction and quality components, ensuring long-lasting durability and dependable performance. Whether you're cruising at high speeds or towing water sports enthusiasts, this engine will deliver the power and reliability you need.

The hull and deck of the M-22 are built to impress. With features like Rio Hull Gelcoat with graphics, an air assist chine, and a barrier coat vinylster, this boat not only looks stunning but also delivers exceptional performance and durability. Stainless steel bow and stern eyes, a heavy-duty rub rail with stainless steel insert, and LED navigation lights ensure that

you'll navigate the waters with ease and style. Plus, the integral swim platform with a ladder makes it easy to take a dip or enjoy water sports.

With its exceptional design, advanced features, and superior craftsmanship, the Monterey M-22 is the ultimate boat for water enthusiasts. Whether you're cruising, towing, or simply enjoying a day of relaxation, the M-22 will exceed your expectations. Don't miss out on the opportunity to own this remarkable vessel and elevate your water adventures to new heights.
