Description

OVERVIEW

Agile, powerful and very habitable, the Antares 8 combines style with character. The ideal boat for exploring new shores, she is wonderful for taking a break for a few days, confident that you are completely safe.

EXTERIOR

The Antares 8 has a new flared-out hull that delivers exceptional driving sensations while delivering excellent seakeeping. The dynamic V design of the cap clearly announces the boat's stunning aesthetic design. Its clever deck plan offers three different possible cockpit seat layouts.

INTERIOR

Unique on a boat this size, the Antares 8's habitability sets it apart from other motor cruisers in this category. The wheelhouse is accessed by a large sliding glass door, sheltering a well-equipped modular living space. There is a real double cabin below the wheelhouse at the bow of the boat, with storage and a shower ensuite, so you can stay on board for a few days. With walnut stained woodwork, the boat offers a very contemporary atmosphere.
