Description

The 2022 Crownline 260 XSS: Your Perfect Watercraft Adventure Awaits!

Are you ready to embark on thrilling aquatic journeys? Look no further than the 2022 Crownline 260 XSS with its exceptional features and unbeatable performance, this boat will revolutionize your on-water experiences. This Crownline 260 XSS is equipped with the mighty Mercury 300 Four Stroke XL engine, delivering a jaw-dropping 300 horsepower. Experience smooth, efficient, and reliable performance, allowing you to glide effortlessly across the water. Elements that make this Crownline 260 XSS truly stand out from the crowd: The Moonstone Gelcoat exterior, exudes sophistication and prestige. Complementing the exterior, the Platinum interior creates an oasis of comfort and luxury, elevating your boating experience to new heights. Step aboard and be captivated by the attention to detail. The woven cockpit snap-in mat in Platinum Mist not only adds a touch of elegance but also provides a comfortable and secure footing for you and your guests. The dash, adorned with a black shroud, features double stitching and stainless-steel switches, embodying a sleek and modern aesthetic. And let's not forget the billet steering wheel in Black Diamond, completing the luxurious look and feel. The color-matched bow and cockpit cover in Onyx will undoubtedly turn heads while keeping your boat pristine.

Prepare to navigate with confidence using the cutting-edge GARMIN 7" Touch Screen GPS, featuring LAKEVU G3 maps. With its user-friendly interface and accurate navigation tools, you can explore uncharted waters with ease, discovering hidden gems and creating unforgettable memories.

Unwind and soak up the sun with the comfortable and versatile seating options. The bow filler cushions create an expansive lounging area, perfect for relaxing or entertaining. Illuminate your evenings on the water with the stylish stainless-steel docking lights, ensuring safe and easy navigation even after dusk. Plus, with the inclusion of four stainless-steel fender clips, you can dock with confidence, protecting your boat and maintaining its impeccable appearance.

For your convenience, this Crownline 260 XSS features a porta potti head with a pump-out fitting and an additional holding tank, guaranteeing optimal sanitation and peace of mind during extended journeys. The black extrusion with stainless-steel insert rubrail adds a touch of sophistication while providing essential protection against docking mishaps.

No boating adventure is complete without a swim in the crystal-clear waters. The Moonrock Soft Touch swim platform mat offers comfort and a secure grip, ensuring endless hours of aquatic enjoyment for you and your loved ones. And for those seeking adrenaline-pumping excitement, the wakeboard tower with a black aluminum tube and sun top will elevate your water sports experiences to new heights. With the Talon stationary rack, you can conveniently store your wakeboard, making it ready for action at a moment's notice.

Rest assured, the Crownline 260 XSS is equipped with batteries and battery boxes, complete with a dual battery setup. You can sail worry-free, knowing that you have a reliable power source to keep your adventures going.

This 2022 Crownline 260 XSS comes with an accompanying REDLINE Aluminum trailer, boasting Dexter Torsion & Brakes for enhanced safety and maneuverability. The black aluminum wheels, diamond plate fenders, and welded tie-downs ensure that your prized possession remains secure and stylish during transport. Plus, the LED lighting and taillight section make towing hassle-free, even during late-night adventures.

The time has come to experience the water like never before. The Crownline 260 XSS is a testament to engineering excellence, luxurious craftsmanship, and unrivaled performance.
